# Welcome to Wilmslow Live '25

Wilmslow Live will take place on Saturday, June 21, offering a day-long celebration of live music, food, and community activities.

Following the success of last year's inaugural event, the festival is set to be even bigger, featuring a varied line-up of local artists and fun for all ages.

Organised by Wilmslow's Way Better, which is funded through the Wilmslow Business Improvement District, the festival aims to showcase local talent and strengthen community spirit.

Wilmslow Live is a highlight in a packed summer schedule of outdoor events in the town.

It will join the popular Wilmslow Street Fest, a foodie festival, with two more summer dates recently announced for Friday, June 27, and Friday, August 29, from 5pm to 9pm in Bank Square.
